The committee submitted a proposal that \$150 be allotted for a recipient to fulfill the requirement to attend an IAN workshop in addition to the \$500 scholarship. ExCom approved this proposal.

REAP/CEP Grant Program

IAN did not apply for any REAP/CEP grants this year. REAP/CEP is emphasizing learning outcomes in the evaluation process.

IAN Web Page

The IAN web page is located at www.ianpage.20m.com. The web site includes many sections such as the IAN ExCom & Standing Committees, IAN's newsletter, upcoming workshops, professional standards, sponsored programs, publications, membership, job announcements, links and a guestbook. The web site includes the *Guide to Interpretive Services*, grant applications, intern standards available to download and a member's chat room. Updates were made to job opportunities, ExCom, standing committees, the annual report and the upcoming workshop section throughout 2004. Pam Holz helped review the web site and made changes to the "What members get" page as well as eliminating wording about a welcome/joining gift. It was also decided that for personal safety reasons, only first names would be used online to identify people in pictures.

Fund Raising

A total of \$1,763 was raised at the 2004 fall auction.
