Brief description of the purpose of the Committee: This committee is working to develop traveling exhibits for use by members of IAN

Specific progress since the last IAN meeting: The Prairie exhibit team has submitted their concepts for the exhibit to several design/build companies to obtain cost estimates. The Aquatics team has not reported any additional progress. The committee will write a REAP CEP grant due this May for funding for the project. The committee is looking for commitments from IAN member agencies or Friends groups for \$250 to \$500 to build matching funds for grants.

Will the committee report only take 2-3 minutes and be informational in nature? **YES**

If yes, you will be given three minutes to briefly update the membership on the committee's work. If a lengthy discussion begins, the topic will then be moved to the Discussion/Action portion of the business meeting.

Will the committee report take 5-10 minutes and require discussion and/or action from the membership?

**NO** If yes, what is the specific point for discussion or motion for IAN members to address during the Discussion/Action portion of the business meeting?

If you do have an item for Discussion/Action, will you be able to present this to the Executive Committee at their meeting on Wednesday, March 18 at our meeting? Items for discussion for ExComm – insurance costs, a standing IAN position to coordinate the movement of the exhibit once we own it
